How Does Your Garden Grow? 3 February–18 March 2017

### ABOUT THE ART TRAIL...

This art trail has been produced by Education Officer Sally O'Neill, Goulburn Regional Art Gallery for the exhibition *How Does Your Garden Grow?* **goulburn.art** REGIONAL GALLERY curated exhibition, 3 February—18 March 2017. The art trail has been designed for students of any age to further their understanding of the content of the show through participating in small targeted theory and practical cross curricular activities.

How does your garden grow?						

There are many different types of gardens.

Imagine your dream garden. What would grow there? What would live there? What sort of things would you do in your garden?

Draw a picture of your dream garden in the space above.
