### Children's room gets a makeover

The Goulburn Mulwaree Library children's room has received a colourful makeover thanks to local artist Danielle McDonald and Studio 4.

The 8 metre long wall mural features the well-loved Roald Dahl quote 'Those who don't believe in magic will never find it.' The artwork features colourful characters from a number of stories including a purple dinosaur, mermaids, animals and plenty of colour.

Michelle Stuart, Young Peoples Coordinator at the Library, said the idea of the work was to invite children coming into the space to let their imaginations run wild with the help of books.

"The beautiful piece created by Danielle brings life to the whole room and really brightens the space up. Kids are sure to find something new within the work each time they come into the Library as it is full of detail!"

Danielle McDonald, the artist behind the work, said "I wanted to create an illustration that celebrated the joy of books and stories, but that also encouraged children to tell their own stories inspired by the detailed imagery and bold use of colour. I hope it brings a smile to many faces and I would also like to thank Erin and the wonderful team at the Goulburn Mulwaree Library for inviting me to take on this delightful project."

Goulburn Mulwaree Library runs a number of programs each school term for children of all ages. Rhyme time caters for babies up to the age of 2 each Wednesday from 10:30am, Storytime on Tuesday and Thursday at 10:30am is open to children of pre-school age, and giggle wiggle is for babies on toddlers on Fridays from 11am. Lego Club is running each Wednesday after school from 3:45pm for children aged 5 and over, and keep an eye out for a new Code Club starting in Term 1 next year!
